Greeting and Praise the Lord,

I pray this letter find you striving to please God and trusting in his son Jesus Christ. I'm very pleased and humbled to announce that God have once again proven himself by answering our prayers and opening a door of utterance; whereby the gospel of his son can be preached to the world.

Beginning Wednesday August 17, 2016 The Church of our Lord Jesus Christ Television Program is moving to National Television to be seen nationwide. The program will be aired on The Impact Television Network every Wednesday night at 10:30pm ET/9:30pm CT and Saturday morning at 5:00am ET/4:00am CT covering the US, Puerto Rico, Alaska and Hawaii. This is channel 380 on Direct TV and 268 on Dish Network. It's also aired on many other stations covering Jamaica, Bahamian Island and Africa. See attachment below of other stations.

This program will benefit the saints around the world. However; it comes with a cost of approximately \$4000.00 monthly. The cost is high but worth the sacrifice considering that everyone will be able to hear God's true word concerning his son Jesus Christ.

We are asking the saints that are able and willing to contribute toward this effort. Any sacrifice will be greatly appreciated. It can be a one time or a monthly sacrifice for Broadcast fund. If you are not able then please pray for this effort. Our goal is to reach God's people with his true word concerning his son Jesus Christ.
